tion, amendment, or conference report contains revenue sufficient to cover such new spending, or to the extent that sufficient revenue to cover such increases is included in the Comprehensive Environmental Response, Compensation and Liability Act of 1980.

(b) The prohibition contained in subsection (a) shall not apply until twenty-one days of continuous session, as defined in section 101(15) of the Impoundment Control Act of 1974, after Congress completes action on this concurrent resolution.
