

Directed Scorekeeping.—Language that attempts to waive the Anti-Deficiency Act, or to limit the amount of timing of obligations recorded, does not change the government's obligations or obligation authority, and so will not affect the scoring of budget authority or outlays.

Authority to Obligate.—Unless bill language that authorizes a project clearly states that *no* obligations are allowed unless budget authority is provided specifically for that project in an Appropriations bill in advance of the obligation, the bill will be interpreted as providing obligation authority, in an amount to be estimated by the Congressional Budget Office (for the Congress) and the Office of Management and Budget (for the Executive).
