<sup>1344</sup>(...continued)

Section 13501(f) of the bill requires the committees of jurisdiction in the House and Senate to report legislation to ensure the financial soundness of government sponsored enterprises by September 15, 1991. If such legislation is not reported, it is the intent of the conferees that the Leadership of the House and Senate ensure that, by the end of the first session of the 102nd Congress, there is consideration of, and a vote on, legislation the Administration may submit on the financial soundness of GSEs.

The conferees intend that nothing in subtitle E be construed as changing the existing committee jurisdictions with regard to government-sponsored enterprises.
