Operating Snag and Dredge Boats on Upper Mississippi, Illinois, and Minnesota Rivers.....	25,000.00	25,000.00

That for the purpose of securing the uninterrupted work of operating snag boats on the upper Mississippi River, and of removing snags, wrecks, and other obstructions in the Mississippi River, the Secretary of War, upon the application of the Chief of Engineers, is hereby authorized to draw his warrant or requisition from time to time upon the Secretary of the Treasury for such sums as may be necessary to do such work, not to exceed in the aggregate for each year the amounts appropriated in this act for such purposes: *Provided, however,* That an itemized statement of such expenses shall accompany the annual report of the Chief of Engineers.

That the annual appropriation for operating snag boats on the upper Mississippi River, made by section 7 of the act of August 11, 1888, entitled "An act making appropriations for the construction, repair, and preservation of certain public works on rivers and harbors, and for other purposes," is hereby made available for similar purposes on the Illinois River, from its mouth to Copperas Creek.

The permanent annual appropriation for the removal of snags in the Mississippi River, under the river and harbor act of August 11, 1888, shall be available for the removal of snags and other floating and sunken obstructions in the Atchafalaya and Old Rivers from the junction with the Mississippi and Red Rivers down the Atchafalaya River as far as Melville, Louisiana, and so much of said appropriation as the Secretary of War may deem necessary may be expended for such removal.

That the annual appropriation for operating snag boats on the upper Mississippi River, made by section 7 of the river and harbor act of August 11, 1888, is hereby made available for similar purposes on the Minnesota River, and other tributaries of the upper Mississippi River now or heretofore improved by the United States (*acts Aug. 11, 1888, vol. 25, p. 424; Mar. 2, 1907, vol. 34, p. 1102; Mar. 3, 1909, vol. 35, p. 817*).

Maintenance of Channel, South Pass, Mississippi River—

The act of Congress approved June 6, 1900 (31 Stat., p. 585, sec. 3), provides that the Secretary of War is hereby authorized, in his discretion, to terminate the contract heretofore entered into with the late James B. Eads for the maintenance of the channel through the South Pass of the Mississippi River, in pursuance of an act of Congress approved March 3, 1875, * * * and of an act of Congress approved June 19, 1878, * * * and of an act of Congress approved March 3, 1879, * * *. In case of the termination of said contract by virtue of the provisions hereof or by expiration of said contract, the Secretary of War is hereby directed to take charge of said channel, including the jetties, and all auxiliary works connected therewith, and thereafter to maintain with the utmost efficiency said South Pass Channel; and for that purpose he is hereby authorized to draw his warrant from time to time on the Treasurer of the United States, until otherwise provided for by law, for such sums of money as may be necessary, not to exceed in the aggregate for any one year \$100,000 * * * (acts June 6, 1900, vol. 31, p. 585; June 13, 1902, vol. 32, p. 340)

CHAPTER XIII—DISTRICT OF COLUMBIA

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to defray the expenses of the District of Columbia for the fiscal year ending June 30, [1927] 1928, any revenue (not including the proportionate share of the United States in any revenue arising as the result of the expenditure of appropriations made for the fiscal year 1924 and prior fiscal years) now required by law to be credited to the District of Columbia and the United States in the same proportion that each contributed to the activity or source from whence such revenue was derived shall be credited wholly to the District of Columbia, and, in addition, \$9,000,000 is appropriated, out of any money in the Treasury not otherwise appropriated, to be advanced July 1, [1926] 1927, and all the remainder out of the combined revenues of the District of Columbia and such advances from the Federal Treasury as are authorized in the District of Columbia appropriation act for the fiscal year 1923, namely:

Executive Office, District of Columbia—

For personal services in accordance with the classification act of 1923, **[\$42,840] \$43,240**, plus so much as may be necessary to make salary of engineer commissioner \$7,500: *Provided*, That in expending appropriations, or portions of appropriations, contained in this act, for the payment for personal services in accordance with the classification act of 1923, the average of the salaries of the total number of persons under any grade in any bureau, office, or other appropriation unit shall not at any time exceed the average of the compensation rates specified for the grade by such act, and in grades in which only one position is allocated the salary of such position shall not exceed the average of the compensation rates for the grade except that in unusually meritorious cases of one position in a grade advances may be made to rates higher than the average of the compensation rates of the grade but not more often than once in any fiscal year and then only to the next higher rate: *Provided*, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service, or (2) to require the reduction in salary of any person whose compensation was fixed, as of July 1, 1924, in accordance with the rules of section 6 of such act, (3) to require the reduction in salary of any person who is transferred from one position to another position in the same or different grade in the same or a different bureau, office, or other appropriation unit, or (4) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by the classification act of 1923, and is specifically authorized by other law (*act May 10, 1926, vol. 44, p. 418*)-----

All of said motor vehicles and all other motor vehicles provided for in this act and all horse-drawn carriages and buggies owned by the District of Columbia shall be used only for purposes directly pertaining to the public services of said District, and shall be under the direction and control of the commissioners, who may from time to time alter or change the assignment for use thereof or direct the joint or interchangeable use of any of the same by officials and employees of the District, except as otherwise provided in this act: *Provided, That, with the exception of motor vehicles for the police and fire departments, no automobile shall be acquired under any provision of this act, by purchase or exchange, at a cost, including the value of a vehicle exchanged, exceeding \$650, except as may be herein specifically authorized. No motor vehicles shall be transferred from the police or fire departments to any other branch of the government of the District of Columbia (act May 10, 1926, vol. 44, p. 422).*

Appropriations in this act shall not be expended for the purchase or maintenance of horses or horse-drawn vehicles for the use of the commissioners, or for the purchase or maintenance of horses or horse-drawn vehicles for inspection or other purposes for those officials or employees provided with motor vehicles (*same act*).

Appropriations in this act shall not be used for the purchase, livery, or maintenance of horses, or for the purchase, maintenance, or repair of buggies or carriages and harness, except as provided for in the appropriation for contingent and miscellaneous expenses or unless the appropriation from which the same is proposed to be paid shall specifically authorize such purchase, livery, maintenance, and repair, and except also as hereinafter authorized (*same act*).

Appropriations in this act shall not be used for the payment of premiums or other cost of fire insurance (*same act*).

Gasoline Tax Road and Street Fund—Continued.

For grading, including necessary culverts, drains, and retaining walls, the following:

Northwest: Audubon Terrace, Linnean Avenue to Broad Branch Road, \$15,000.

Northwest: For widening by fifteen feet on each side and repaving the roadway of Connecticut Avenue from N Street to Dupont Circle; for widening by fifteen feet on the west side and repaving the roadway of this avenue from Eighteenth Street to N Street and for widening and repaving the roadway of the same avenue adjacent to United States Reservations numbered 150 and 150-A in accordance with plans approved jointly by the Commissioners of the District of Columbia and the Director of Public Buildings and Public Parks, \$60,000.

Northwest: For widening to forty-eight feet and repaving the roadway of Twelfth Street from E Street to Pennsylvania Avenue, \$10,000.

Northwest: For widening to sixty feet and repaving the roadway of Fifteenth Street, west of McPherson Square, from I Street to K Street; and for widening to seventy feet and repaving the roadway of this street from K Street to Massachusetts Avenue, \$95,000.

In the widening and repaving of roadways hereinbefore provided for, 40 per centum of the entire cost thereof in each case shall be assessed against and collected from the owners of abutting property in the manner provided in the act approved July 1, 1914 (Thirty-eighth Statutes, page 524), as amended by section 8 of the act approved September 1, 1916 (Thirty-ninth Statutes, page 716). The owners of abutting property also shall be required to modify, at their own expense, the roofs of any vaults that may be under the sidewalk or parking on said street if it be found necessary to change such vaults to permit of the roadway being widened.

For minor changes in roadway and sidewalks on plans to be approved by the Commissioners of the District of Columbia to facilitate vehicular and pedestrian traffic, \$10,000.

For construction of curbs and gutters and adjustment of roadways thereto, \$23,400.

The appropriation for paving Thirty-fourth Street, Massachusetts Avenue to Cleveland Avenue, contained in the District of Columbia Appropriation Act for the fiscal year 1926, is hereby made available for the purpose of paving forty feet wide that portion of the roadway of Thirty-fourth Street between Massachusetts Avenue and Garfield Street.

In all [\$658,100], \$1,350,000; to be disbursed and accounted for as "Gasoline tax, road and street improvements," and for that purpose shall constitute one fund and be available immediately: *Provided*, That no part of such fund shall be used for the improvement of any street or section thereof not herein specified: *Provided further*, That assessments in accordance with existing law shall be made for paving and repaving roadways where such roadways are paved or repaved with funds derived from the collection of the tax on motor-vehicle fuels, and accretions by repayment of assessments.

Water Department, District of Columbia—Continued.

The rates of assessment for laying or constructing water mains and service sewers in the District of Columbia under the provisions of the act entitled "An act authorizing the laying of water mains and service sewers in the District of Columbia, the levying of assessments therefor, and for other purposes," approved April 22, 1904, are hereby increased from \$1.25 to \$2 and \$1 to \$3, respectively, per linear front foot for any water mains and service sewers constructed or laid during the fiscal year [1927] 1928 (act May 10, 1926, vol. 44, p. 451).

[The Commissioners of the District of Columbia are directed to increase the scale of water rents in effect in the District of Columbia by 12½ per centum per annum for the fiscal year ending June 30, 1927: *Provided*, That such increase shall remain in effect until otherwise provided by law] (same act).

[The Commissioners of the District of Columbia, in the execution of the provisions of law requiring an increase in water rates of 12½ per centum per annum, are authorized, whenever the application of the 12½ per centum to existing rates results in rates with fractional cents, to fix the rates at the nearest amounts not containing fractional cents] (act July 3, 1926, vol. 44, p. 850).

For installing water meters on services to private residences and business places as may not be required to install meters under existing regulations, as may be directed by the commissioners; said meters at all times to remain the property of the District of Columbia (same act)

<p>SEC. 2. That the services of draftsmen, assistant engineers, levelers, transitmen, rodmen, chainmen, computers, copyist, overseers, and inspectors temporarily required in connection with sewer, street, street-cleaning or road work, or construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations may be employed exclusively to carry into effect said appropriations when specifically and in writing ordered by the commissioners, and all such necessary expenditures for the proper execution of said work shall be paid from and equitably charged against the sums appropriated for said work; and the commissioners in their budget estimates shall report the number of such employees performing such services, and their work, and the sums paid to each, and out of what appropriation: <i>Provided</i>, That the expenditures hereunder shall not exceed \$20,000 during the fiscal year [1927] 1928: <i>Provided further</i>, That no person shall be employed in pursuance of the authority contained in this paragraph for a longer period than nine months in the aggregate during the fiscal year.</p>		
<p>The commissioners are further authorized to employ temporarily such laborers, skilled laborers, drivers, hostlers, and mechanics as may be required exclusively in connection with sewer, street, and road work, and street cleaning, or the construction and repair of buildings and bridges, furniture and equipments, and any general or special engineering or construction or repair work, and to incur all necessary engineering and other expenses, exclusive of personal services, incidental to carrying on such work and necessary for the proper execution thereof, said laborers, skilled laborers, drivers, hostlers, and mechanics to be employed to perform such work as may not be required by law to be done under contract, and to pay for such services and expenses from the appropriations under which such services are rendered and expenses incurred (<i>act May 10, 1926, vol. 44, p. 452</i>).</p>		
<p>SEC. 3. That all horses, harness, horse-drawn vehicles necessary for use in connection with construction and supervision of sewer, street, street lighting, road work, and street-cleaning work, including maintenance of said horses and harness, and maintenance and repair of said vehicles, and purchase of all necessary articles and supplies in connection therewith, or on construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations, may be purchased, hired, and maintained and motor trucks may be hired exclusively to carry into effect said appropriations, when specifically and in writing ordered by the commissioners; and all such expenditures necessary for the proper execution of said work, exclusive of personal services, shall be paid from and equitably charged against the sums appropriated for said work; and the commissioners in the budget estimates shall report the number of horses, vehicles, and harness purchased, and horses and vehicles hired, and the sums paid for same, and out of what appropriation; and all horses owned or maintained by the District shall, so far as may be practicable, be provided for in stables owned or operated by said District: <i>Provided</i>, That such horses, horse-drawn vehicles, and carts as may be temporarily needed for hauling and excavating material in connection with works authorized by appropriations may be temporarily employed for such purposes under the conditions named in section 2 of this act in relation to the employment of laborers, skilled laborers, and mechanics (<i>same act</i>).</p>		
<p>SEC. 4. The commissioners are further authorized to employ temporarily such laborers, skilled laborers, and mechanics, as may be required in connection with water-department work, and to incur all necessary engineering and other expenses, exclusive of personal services, incidental to carrying on such work and necessary for the proper execution thereof, said laborers, skilled laborers, and mechanics to be employed to perform such work as may not be required by existing law to be done under contract, and to pay for such services and expenses from the appropriation under which such services are rendered and expenses incurred (<i>same act</i>).</p>		
<p>SEC. 5. That the commissioners are authorized to employ in the execution of work the cost of which is payable from the appropriation account created in the District of Columbia appropriation act, approved April 27, 1904, and known as the "Miscellaneous trust-fund deposits, District of Columbia," all necessary inspectors, overseers, foremen, sewer tappers, skilled laborers, mechanics, laborers, special policemen stationed at street-railway crossings, one inspector of gas fitting, two janitors for laboratories of the Washington and Georgetown Gas Light Companies, market master, assistant market master, watchman, two bookkeepers in the auditor's office, clerk in the office of the collector of taxes, horses, carts, and wagons, and to hire therefor motor trucks when specifically</p>
